APPOINTMENTS

The Graduate Writing Center (GWC) offers FREE 50-minute appointments with experienced writing consultants to all registered UCLA graduate and professional students year round. Take advantage of this resource while at UCLA!

Consultation appointments may be used for any academic or professional writing, including but not limited to:

- Course Papers
- Personal Statements
- Fellowship & Grant Essays
- Journal Articles & Publications
- Memos & White Papers
- Oral Presentations
- Conference Papers & Abstracts
- Theses, Capstones, & Dissertations
- Proposal & Prospectus Drafts
- Job Applications & Cover Letters

Our consultants represent a range of disciplines, allowing you to select someone in a related field or with experience in the type of document you are writing. Visit the consultant bios webpage to learn more about their academic backgrounds and experience: https://gwc.gsrc.ucla.edu/consultants

Consultants can help you with:

- Developing & organizing ideas
- Strengthening your argument
- Improving clarity of writing
- Document structure & conventions
- Writing & revision strategies
- Grammar, punctuation, & style

Consultants will not:

- Proofread work for you
- Edit or revise work for you
- Correct grammar or mechanics without your active engagement
- Review documents before your appointment

WORKSHOPS

The GWC offers workshops every quarter, including summer. GWC workshops address general writing skills and strategies as well as strategies for writing specific documents (e.g., fellowship and grant writing, dissertation and thesis writing, and Master's capstones). Other workshops cover topics within the academic areas of Humanities and Arts, Social Sciences, and STEM fields.

View upcoming workshops: https://gwc.gsrc.ucla.edu/workshops

THESIS, CAPSTONE, AND DISSERTATION SUPPORT

The GWC offers writing groups and programs to support students working on dissertations, dissertation proposals or prospectuses, or master's theses or capstones, including writing retreats and multi-session boot camps.
